

## AIDS SERVICES OF DALLAS

- *AIDS Services of Dallas (ASD) provides housing and supportive services to low-income and homeless men, women, and children living with HIV/AIDS.*
- Residents are empowered to live rich, meaningful lives by avoiding nursing homes, hospitals, and traditional hospice placements. They are involved in the community at ASD by participating in Residents Councils at each facility and serving as voting members of the agency’s Board of Trustees.
- ASD’s four apartment communities are licensed by the Texas Department of Health and are located in North Oak Cliff near Methodist Medical Center.
